OFFER OF ADMISSION FOR REMEDIAL CLASSES

Our institution which is noted for churning out students who were hitherto weak and average into excellent and top notch performing WASSCE graduates is happy to inform you that you have been offered admission for a full one year to remedy some of your defective subjects at the WASSCE level.

Our college has a very high pass rate at the November/December (Nov/Dec) Examinations, it has its own Nov/Dec Examination Centre, good hostel facilities, standard classrooms fitted with air conditions and a well stocked library.

We have competent and qualified teachers who are also WAEC Nov/Dec invigilators, WAEC examination markers and supervisors. The school can boast of 24 hour electricity and a standby plant, constant flow of water as well as a mechanized borehole. It has 24 hour security surveillance with CCTV cameras fitted around the whole campus. The whole college is walled with barb wires to ensure safety of students against burglary.

Our students obtains exeat before moving out of school to check discipline, there is a hairdressing/barbering saloon, a school clinic with a resident nurse as well as supermarket, a bookshop and a mobile money centre on campus to limit students movement in and out of town.

It is with pride and honour to welcome you formally to this land of opportunities and greatness and it is our belief that before you set your foot in and out of this campus, success will be crown. May our slogan "You Can't Fail" be your portion. Amen.

We look forward in meeting you on the 15th of January, 2019 to begin the journey of hope.

Our Regards.

.....
Dr. Richard Asiedu, PhD.
(Director)
